

Introduced by Senator Anderson

February 21, 2014

An act to amend Section 6206 of the Government Code, relating to the protection of victims.

LEGISLATIVE COUNSEL'S DIGEST

SB 1385, as introduced, Anderson. Protection of victims: alternate physical address.

Under existing law, the Secretary of State is required, as specified, to designate an address for a victim of domestic violence, sexual assault, and stalking that serves as the person's address for the purposes of enabling state and local agencies to respond to requests for public records without disclosing a program participant's residence address contained in any public record and otherwise provide for confidentiality of identity for that person, subject to specified conditions.

This bill would require the Secretary of State, upon the request of a program participant, to designate an alternate physical address if the participant is prohibited from using a post office box as an address.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
